

ASDAN Key Skills in Improving own Learning and Performance

Level 2 Specification

Improving own Learning and Performance Level 2 Qualification Specification

1. Title

The following qualification has been accredited by the regulatory bodies in England and Northern Ireland (Ofqual and CCEA).

ASDAN Level 2 Key Skills in Improving own Learning and Performance
Accreditation Number 100/3796/2

In England and N. Ireland it appears in the Register of Regulated Qualifications.

2. Location of the qualification within the subject/sector classification system

14.1 Foundations for Learning and Life

3. Total Qualification Time (TQT)

This is comprised of the number of Guided Learning Hours assigned to the qualification, and an estimate of the number of hours a candidate will reasonably be likely to spend in preparation, self-study, research and other independent and unguided learning activities. The TQT allocated takes into account estimates and other relevant information gathered from a reasonable number of centres and third parties.

Number of Guided Learning Hours assigned 45 hours

Total Qualification Time 60 hours

4. Qualification Dates

Operational End Date: 31/12/2018

Operational End Date: 31/12/2021 (NI only)

Certification End Date: 31/12/2019

Certification End Date: 31/12/2023 (NI only)

Candidate registrations may not be accepted by ASDAN after the operational end date for a specific qualification if an extension is not obtained from the regulators. However, certification is allowed until the certification end date so that candidates have time to complete any programme of study. At least six months before the operational end date for a qualification, ASDAN will undertake a review of the qualification. This will be done in collaboration with stakeholders in order to take account of any changes necessary to continue to meet their needs. Once this review process is complete, ASDAN will consider the most appropriate course of action, which might include applying to the regulators for an extension to the regulation period, revising or creating a new qualification or withdrawing the qualification. Information relating to changes or extensions to qualifications will be posted on the ASDAN website www.asdan.org.uk.

5. Objective of the qualification

The Wider Key Skills qualifications aim to develop and recognise each candidate's ability to apply these skills in ways that are appropriate to different contexts and to improve the quality of their learning and performance. Improving own Learning and Performance focuses on the ability of the candidate to work towards the achievement of personal, learning and/or career targets for the purpose of improving the quality of their own learning and performance, and developing as an independent learner.

6. Staffing requirements

This section is provided to give some guidance on the experience and qualifications needed to deliver and assess these qualifications; it is not however intended to be exhaustive or definitive. Examples of relevant qualifications and occupational backgrounds are given as benchmarks. Other equivalent qualifications or backgrounds may also qualify prospective staff for delivery or

Improving own Learning and Performance Level 2 Qualification Specification

assessment roles.

Centres must ensure that they have sufficient numbers of suitably experienced Assessors and Internal Moderators to ensure that qualifications are delivered effectively, and that appropriate judgements are made as to whether evidence being presented is valid, sufficient and reliable.

ASDAN cannot be held responsible for any difficulties that arise in the delivery or assessment process as a result of internal recruitment decisions. Recruitment should be made at the discretion of centres, and centres should be aware that it is their responsibility to ensure that all staff involved in the delivery and assessment of ASDAN qualifications are suitably qualified.

Examples of relevant qualifications: Assessor/Internal Verifier awards

Examples of work experience: Demonstrable experience of knowledge of the subject area.

The ASDAN **Centre Guidance** (Section 2.2, Roles and Responsibilities) outlines the range of functions necessary for candidate achievement, and the expectations for suitable qualifications/experience.

7. Units

The units listed below are available for the qualification.

Title	Level	Unit reference	Credit rating (if applicable)
Improving own learning and performance	2	IOLP2	n/a

8. Structure of the qualification

The qualification is not credit-based and consists of one mandatory unit.

Evidence to fully meet the IOLP standards is generated by completing activities through which candidates need to demonstrate their competence by presenting a portfolio of evidence that clearly demonstrates their ability to meet the standards.

The standards consist of

- A short overview of the Key Skill at the relevant level
- What the candidate needs to know how to do (Part A)
- What the candidate must show they can do (Part B)
- Examples and guidance

To demonstrate working at the appropriate level, candidates are required to use the recording documents provided by ASDAN, which support the consistent production of evidence.

The mandatory **Standards with Guidance** document, which is provided to support centres in the delivery and assessment of the qualification, provides additional guidance on the appropriate type, quality and quantity of evidence required in order for candidates to show they have met the required standard.

The mandatory **Centre Guidance** contains all the information centres need in order to successfully deliver, assess and internally moderate the qualification and submit candidates for certification.

Improving own Learning and Performance Level 2 Qualification Specification

9. Prior achievement and recognition of prior learning

No mandatory prior qualification, attainment or experience is required. However, as Key Skills build upon the skills and knowledge acquired within a range of education and training experiences, there may be evidence that could be accredited via APL (providing performance was both current and subject to authentication). Centres are responsible for ensuring that this qualification is appropriate for the age and ability of their candidates.

Recognition of Prior Learning (RPL)

RPL is where a candidate has achieved something relevant to the qualification without formal recognition such as a certificate. ASDAN has a policy on RPL which allows all claims to be considered on an individual basis.

10. Progression Opportunities

ASDAN Key Skills in Improving own Learning and Performance Level 3

The Key Skills qualifications are designed to enable learners to progress at their own pace. Each level of the key skill above level 1 incorporates and builds on the previous ones. The key skills qualifications not only recognise the learner's current capabilities, they also require them to identify how they can further improve their skills to meet new demands at higher levels.

11. Assessment and moderation

Candidates complete a **portfolio of evidence**, generated from appropriate activities, which is internally assessed by centre assessors against the unit assessment criteria. Assessors need to ensure that there is explicit evidence in the portfolio to show that the candidate has met the required standard:

Provide at least **two** examples of meeting the standard for LP2.1, LP2.2 and LP2.3 (each example should cover at least **two** targets). Overall, the candidate must show they can use at least **two** different ways of learning to improve their performance.

In order to ensure that the candidate can demonstrate knowledge and understanding that may not be explicitly shown in the portfolio, a series of **Part A questions** is provided.

The portfolio must consist of:

- an **Assessment Checklist** which clearly records what the evidence is and where it is located
- a portfolio of evidence (including **Part A questions**), that demonstrates that the candidate has successfully met all of the requirements described in Part B of the relevant Key Skill.
- **Plan, Do, Review sheets**, these are intended to support candidates in providing sufficient and valid evidence for assessment to meet the requirements of each unit.

A **Candidate Log** can be downloaded from the ASDAN website. This contains **Assessment Checklists** which must be completed by the assessor when the candidate completes each unit. Each Assessment Checklist must be signed by the candidate, assessor and internal moderator to authenticate the work, and added to each candidate's portfolio of evidence. The **Candidate Record** pages of the Candidate Log help the candidate to track their progress and are used by the Internal Moderator to record internal moderation and feed back to the assessor after sampling.

Improving own Learning and Performance Level 2 Qualification Specification

Evidence may be drawn from work undertaken within the full range of qualifications in schools and colleges. It may also be drawn from activities undertaken as part of wider curriculum enrichment programmes (including ASDAN's own programmes), PSHE, work experience, employment, voluntary and youth work.

Wider Key Skills resources (Observation Records, Witness Statements etc). These documents are intended to support candidates in providing sufficient and valid evidence for assessment to meet the requirements of each unit. They have been developed with reference to the different parts of the national standards.

Internal moderation is undertaken by the centre, following their own sampling strategy. The internal moderator provides the vital link between the assessors and the external moderator, and acts as the centre's quality assurance representative.

External moderation is carried out by ASDAN's External Moderators who look at the quality and compare the standards of a sample of candidates' work to ensure that national standards are being met, monitor assessment practice and, where problems are identified, take action to ensure that assessment conforms to national standards.

12. Assessment language

ASDAN qualifications are published and assessed in English only.

13. Standards

Sample Part A questions, Assessment Checklist and Candidate Record:

Part A Individual Questions

The assessor should tick questions which **have** been addressed within the portfolio, **and** note where the evidence can be found. Responses to the other questions must be recorded and the method indicated at the end of the sheet. Assessors should check that responses made by the candidate are adequate and relevant; additional oral questions may be asked in order to help candidates understand the question and to encourage them to provide more detail. This sheet **must** be included in the candidate's portfolio and referenced on the assessment checklist.
